

Ramon Santana

Full-Stack Software Engineer

Slidell, LA | (985) 445-0105

[portfolio](#) | github.com/jcoleonline | [linkedin.com/in/ramon-santana](https://www.linkedin.com/in/ramon-santana) | jcoleonline@gmail.com

Creative software engineer with the ability to pick up new languages and technologies as needed. Prior to being a software engineer, I worked as a retail manager and sales team leader where I managed teams of both in store personnel and outside salesmen providing clients support and solutions.

Software Development Skills

- Debugging, JavaScript, Node.js, React, Express, Redux, PostgreSQL, Sequelize, Bootstrap, Flexbox, HTML, CSS, JSON, Jira

Education

DigitalCrafts | Certificate in Software Engineering | Atlanta, GA December 2022 – June 2023

- Software engineering training program covering full-stack development including, but not limited to JavaScript, including an emphasis on cutting-edge frameworks like React/Redux and server-side technologies including Node.js, Express, and PostgreSQL.

Northshore High | Slidell, LA

2004 – 2007

Software Development Portfolio

Country Currency Converter | jcoleonline.github.io/frontend2.0 | [github.com/country-currency-converter](https://github.com/jcoleonline/country-currency-converter)

- Led development efforts for a country currency converter application where you can choose a country and convert its currency to any currency of your choosing.
- User experience allows for the ability to look up a country and find good to know information about the country itself or use the converter as a standalone app.
- Front End application built with Javascript, HTML, and CSS

To-Do app | jamondepot.club | <https://github.com/jcoleonline/To-do-App>

- Used React, Express, Sequelize to create a personal To-Do app.
- Utilized fullstack capabilities.
- App has the option to add new task, edit task, favorite task, complete task, and delete task

Memory Game | [site link](#) | <https://github.com/jcoleonline/memorygame>

- Using React, CSS, and JavaScript to create a working memory game
- Testing new design and game mechanics
- Wanted to test my knowledge and capabilities of the languages used

Professional Work Experience

Crescent City Color | Store Manager | Slidell, LA

May 2008 – Present

- Managed the largest paint and supply store in St. Tammany Parish. In charge of project management, in store personnel, update inventories, hiring, and training
